Step 2 – Tell Us about Your Child(ren)

At North Parish, we know that each child is unique and has his or her own needs. We can serve each child best when we have some information about who that child is. We will use this information only to provide the best possible experience for each child.

Does your child have any health or dietary problems/concerns we should be aware of (especially allergies)?

Should we be aware of any learning challenges your child faces?

Is there anything else you want us to know about your child?

Step 3 – Sign Permission Form

I hereby give North Parish staff or volunteers permission to obtain medical treatment when I cannot be reached or when a delay would be dangerous to my child’s health. I give permission for my child(ren) to take walks within the church vicinity with their teachers. I understand that a special permission form will be provided to me for all other field trips. I understand there may be times when photographs of my children may be displayed on the walls, in brochures or other internal communications at North Parish or on the North Parish website (without children’s names).

Step 4 – Indicate Your Volunteer Preference:

For the collaborative nature of the Religious Education program to succeed, we ask all parents with children enrolled in the RE Program to sign up for some volunteer commitment after being involved in the church for six months. **We also welcome and encourage the volunteer participation of other adults or teens in the congregation.** Please indicate the area(s) you are interested in assisting in below. Although our primary need is for classroom teachers, all of our programs require volunteer support in order to succeed. We hope you will find a role that fits your skills, interests and schedule.
