

# The North Parish of North Andover Membership Application

- I have read the pamphlet *Becoming a Member of the North Parish*, understand all of the benefits, requirements, and responsibilities associated with membership, and wish to become a Member of the North Parish of North Andover.
- I understand that as a Member, I will have an affirmative responsibility to help support the church financially, and I will do my fair share, consistent with my financial resources, to fulfill this responsibility. I have received a copy of the Stewardship materials, including a form upon which to indicate my Commitment of Support for the current or upcoming year.

I also understand that North Parish relies on participation from its members and friends for all of the activities that support its mission, and that sharing or helping with these activities is an ideal way for me to integrate into and become connected with the church community. By checking the boxes below, I am indicating the ways I would like to participate over the next year, understanding that when I am called upon to help out, I will be paired with someone experienced who can help to get me started.
